

CURRICULUM VITA

(August 15, 2018)

BIOGRAPHICAL

Name: William Drew Gouvier
Birth date: October 17, 1953
Marital Status: Married: Three children
Home Address: 10375 Ridgely Drive
Baton Rouge, LA 70809-3223
Home Phone: (225) 292-8526
Office Address: Matrix Inc./CDC Associates LLC
740 Colonial Drive
Baton Rouge, LA 70806
(P) 225 216 9422, (F) 225 216 1260
E-mail wgouvie@lsu.edu

EDUCATIONAL

1957-1971 Public schools of Haddonfield, New Jersey, Port Arthur, Texas, and Sylvania, Ohio
1971-1972 Kent State University, Kent, Ohio
1972-1976 University of Arizona, Tucson, Arizona B. A. Psychology with High Distinction,
Undergraduate Honors in Biology
1976-1978 Memphis State University, Memphis, Tennessee M. S. Psychology, Clinical
Psychology (APA Approved)
1979-1983 Memphis State University, Memphis, Tennessee Ph.D. Clinical Psychology,
subspecialty in Clinical Neuropsychology (APA approved)
1982-1983 Clinical Internship with neuropsychological and medical psychology specialization
at the University of Mississippi Medical Center, Jackson, Mississippi
(APA approved)

MASTERS THESIS

The effects of 9 tetrahydrocannabinol in pigeons: A strain specific effect. Committee Chairman:
John E. Kelley, Ph.D.

DOCTORAL DISSERTATION

The effects of brain damage on recognition memory: Are verbal functions really more robust?
Committee Chairman: Charles J. Long, Ph.D.

LICENSURE

Alabama #416 (inactive) Clinical Psychology

Louisiana #522: Clinical Psychology and Clinical Neuropsychology

PROFESSIONAL EXPERIENCE

ACADEMIC

2013-present Professor Emeritus, Department of Psychology, Louisiana State University

2004-2013 Professor, Department of Psychology, Louisiana State University

1989-2004 Associate Professor, Department of Psychology, Louisiana State University.

1985-1989 Assistant Professor, Department of Psychology, Louisiana State University.

1986-1994 Instructor, Law Enforcement Training Program, Louisiana State University
Division of Continuing Education.

1986-1987 Research consultant, Center for Rehabilitation Science and Biomedical
Engineering, Louisiana Tech University.

1983-1985 Instructor, Department of Rehabilitation Medicine, University of Alabama at
Birmingham Medical Center. Secondary appointment as Assistant
Professor, Department of Psychology, University of Alabama at
Birmingham.

1980-1981 Graduate Instructor, Department of Psychology, Memphis State University.

1976-1977 Teaching Assistant, Department of Psychology, Memphis State University.

1976 Research Assistant, Department of Psychology, University of Arizona.

1975 Teaching Assistant, Department of Psychology, University of Arizona.

1974-1976 Certified Assistant Laboratory Animal Technician, University of Arizona.
1973-1976 Laboratory Assistant, Department of Psychology, University of Arizona.

CLINICAL

2013-present Matrix/CDC Associates, Baton Rouge, LA

2008-2021 Professional Psychology Services, L.L.C., Baton Rouge, LA

2005-2013 R D Associates, Baton Rouge, LA

2000-2013 Consulting Neuropsychologist, Hammond Developmental Center

1999-2005 Director, Louisiana State University Psychological Services Center

1997-2003 Supervising Neuropsychologist, Jetson Youth Correctional Facility, Slaughter, Louisiana

1996-2000 Consulting Neuropsychologist, Baton Rouge Outpatient Rehabilitation Center, Baton Rouge, Louisiana

1996-2000 Supervising Neuropsychologist, East Louisiana State Hospital Practicum and Post-doctoral training, Jackson, Louisiana

1996-2003 Supervising Neuropsychologist, Feliciana Forensic Facility Practicum, Jackson, Louisiana

1996-present Consulting Neuropsychologist, Pinecrest Developmental Center, Pineville, Louisiana.

1996-1998 Consulting Neuropsychologist, Healthsouth Rehabilitation Center, Baton Rouge, Louisiana.

1993-1996 Supervising Neuropsychologist, St. Ann's Day Hospital Practicum, Our Lady of the Lake Medical Center, Baton Rouge, Louisiana.

1992-1996 Supervising Neuropsychologist, Geriatric Assessment Team Practicum, Our Lady of the Lake Medical Center, Baton Rouge, Louisiana.

1991-1994 Consulting Psychologist, CPC Meadowwood Hospital, Baton Rouge, Louisiana.

1989-1996 Co-founder of Disaster Research Consultants, Baton Rouge, Louisiana.

1989-1995 Consulting Psychologist, Psychiatry Service, Our Lady of the Lake Medical Center, Baton Rouge, Louisiana.

1989-1992 Consulting Psychologist, Parkland Hospital, Baton Rouge, Louisiana.

1989-2005 Supervising Neuropsychologist and Director of Assessment Services, The Family Therapy Clinic Externship Program, Baton Rouge, Louisiana.

1988-1998 Supervising Neuropsychologist, Rehabilitation Center Externship Program, Our Lady of the Lake Medical Center, Baton Rouge, Louisiana.

1988-1998 Supervising Neuropsychologist, Greenwell Springs State Hospital Practicum Program, Greenwell Springs, Louisiana.

1986-present Supervising Neuropsychologist, Earl K. Long State Medical Center Practicum Program, Baton Rouge, Louisiana.

- 1985-2013 Supervising Neuropsychologist, Louisiana State University Psychological Services Center Practicum Program, Baton Rouge, Louisiana.
- 1985-1989 Staff Psychologist, Talbot Outpatient Center, Baton Rouge, Louisiana.
- 1983-1985 Co-director of Head Trauma Rehabilitation Unit, Spain Rehabilitation Center, Department of Rehabilitation Medicine, University of Alabama at Birmingham Medical Center.
- 1982-1983 Psychology Intern, University of Mississippi Medical Center, Jackson, Mississippi.
- 1982 Psychological Consultant to the Children's and Youth Division of Northeast Community Mental Health Center, Memphis, Tennessee.
- 1981-1982 Psychometric Technician, Crittendon County Special Education Cooperative, Arkansas.
- 1980-1982 Administrative Assistant, Psychological Services Center, Memphis State University.
- 1980 Educational Consultant, Northeast Community Mental Health Center, Memphis, Tennessee.
- 1979-1980 Consulting Psychotherapist, Northeast Community Mental Health Center, Memphis, Tennessee.
- 1979-1980 Neuropsychological Extern, Memphis Mental Health Institute, Memphis, Tennessee.
- 1979 Psychological Summer Intern, Federal Correctional Institute, Memphis, Tennessee.
- 1978-1979 Psychological Extern, Memphis Speech and Hearing Center, Memphis, Tennessee.
- 1977-1978 Psychological Extern, Western Mental Health Institute, Bolivar, Tennessee.
- 1976-1977 Group Leader, Caretaker Training Group, Southeast Mental Health Center, Memphis, Tennessee.
- 1976-1982 Student Psychotherapist, Psychological Services Center, Memphis State University, Memphis, Tennessee.
- 1976 Residential Counselor, Bancroft School, Summer Residence, Owls Head, Maine.
- 1976 Student Therapist, Preschool Autism Project, Tucson, Arizona.

CONFERENCE PRESENTATIONS

Gouvier, W.D., Akins, F.R., & Lyons, J.E. The effects of Delta-9-THC on a maintained gradient of inhibition. Presented at the Rocky Mountain Psychological Association Convention, Salt Lake City, Utah, October, 1975.

Gouvier, W.D. Panel discussant, Graduate education: A student's perspective. Presented at the Kentucky and Tennessee Psychological Association Joint Convention, Louisville, Kentucky, October, 1977.

Gouvier, W.D. The use of Delta-9-THC in animal learning research. Presented at the Kentucky and Tennessee Psychological Association Joint Convention, Louisville, Kentucky, October, 1977.

Akins, F.R., & Gouvier, W.D. Assessment of drug state discriminability via drug-drug training, stimulus generalization testing. Presented at the Association for Behavior Analysis Convention, Dearborn, Michigan, June, 1979.

Gouvier, W.D. Host, Delta-9-THC: Towards a behavioral taxonomy of drug effects. Group poster session presented at the Association for Behavior Analysis Convention, Dearborn, Michigan, June, 1979.

Gouvier, W.D. Assessment of change agent behavior: Design strategies and limitations. Presented at the Association for Behavior Analysis Convention, Dearborn, Michigan, June, 1979.

Gouvier, W.D., and Akins, F.R. Delta-9-tetrahydrocannabinol in rats: An alternate ingestion route. Presented at the Association for Behavior Analysis Convention, Dearborn, Michigan, June, 1979.

Gouvier, W.D., Kelley, J.E., and Leeming, F.C. Differential ataxia following acute Delta-9-THC in pigeons. Presented at the Association for Behavior Analysis Convention, Dearborn, Michigan, 1979.

Gouvier, W.D., Manning, W.H., and Rudolf, S. Training clinicians of stutterers using self-efficacy scaling. Presented at the American Speech, Language and Hearing Association Convention, Atlanta, Georgia, 1979.

Gouvier, W.D., and Yehle, A.L. Delta-9-THC in pigeons: A strain specific effect. Presented at the Southeast Psychological Association Convention, New Orleans, Louisiana, 1979.

Hill, M., Gouvier, W.D., and Sprunt, M. Behavioral treatment of elective mutism. Presented at the American Speech, Language and Hearing Association Convention, Atlanta, Georgia, 1979.

Long, C.J., and Gouvier, W.D. Neuropsychological assessment of outcome of closed head injury. Presented at the N.A.T.O./A.S.I. Conference on Neuropsychology and Cognition, Augusta, Georgia, 1980, invited address.

Gouvier, W.D. Panel discussant, Graduate education: An alternate perspective. Presented at the Southeast Psychological Association Convention, Washington, D.C., March, 1980.

Gouvier, W.D. Student Research Award Committee. Served as chairman of one of two student paper sessions, and co-judge at both sessions at the meeting of the Tennessee Psychological Association, Memphis, Tennessee, October, 1980.

Gouvier, W.D., Stewart, R.M., and Long, C.J. Testing imagery and free recall. Presented at the Southeast Psychological Association Convention, Atlanta, Georgia, 1981.

Gouvier, W.D., Veneklasen, J., Bailey, S.E., and Long, C.J. Emotional sequelae following head injury. Presented at the Southeast Psychological Association Convention, Atlanta, Georgia, 1981.

Long, C.J., and Gouvier, W.D. The nature of cognitive sequelae following head injury. Presented at the Southeast Psychological Association Convention, Atlanta, Georgia, 1981.

Long, C.J., and Gouvier, W.D., and Hutcherson, W.L. Assessment and management of patients with mild closed head injury. Presented at the University of Tennessee Research Symposium, Memphis, Tennessee, 1981.

Gouvier, W.D., Bolter, J.F., Veneklasen, J.A., Hutcherson, W.L., and Long, C.J. Development and cross-validation of an improved index of premorbid intelligence. Presented at the Meeting of the National Academy of Neuropsychologists. Atlanta, Georgia, 1982.

Gouvier, W.D., Veneklasen, J., and Long, C.J. Functional considerations among patients referred for cognitive retraining. Presented at the Southeast Psychological Association Convention, New Orleans, Louisiana, 1982.

Cottam, G., Gouvier, W.D., and Webster, J.S. Remediation of left-sided visual field cuts and hemi-inattention using behavioral techniques. Presented at the Southeastern Psychological Association Convention, Atlanta, Georgia, March, 1983.

Gouvier, W.D. Assessment of post-traumatic amnesia and its relationship to outcome following head injury. Presented at the 1st Midsouth Conference on Human Neuropsychology, Memphis, Tennessee, May, 1983.

Gouvier, W.D., Bolter, J.F., Veneklasen, J.A., and Long, C.J. Estimating intellectual deterioration in head injury patients: Neuropsychological cross-validation of the Revised Premorbid Index. Presented at the Southeastern Psychological Association Convention, Atlanta, Georgia, March, 1983.

Stanczak, D.E., White, J.G., Gouvier, W.D., Moehle, K., Daniel, M.A., Novak, T., and Long, C.J. Assessment of acute impairments of arousal following severe neurological insult. Presented at the 1st Midsouth Conference on Human Neuropsychology, Memphis, Tennessee, May 1983.

Webster, J.S., Blanton, P., Gouvier, W.D., Cottam, G., Beissel, G.F., and Wofford, J.D. Hemifield disturbances during movement in stroke patients. Presented at the American Psychological Association Convention, Anaheim, California, 1983.

Webster, J.S. and Gouvier, W.D. Computer applications in cognitive retraining. Presented at the Southeastern Psychological Association Convention, Atlanta, Georgia, March, 1983.

Webster, J.S., Gouvier, W.D., and Cottam, G. Treatment of left-sided homonymous hemianopsia. Presented at the 1st Midsouth Conference on Human Neuropsychology, Memphis, Tennessee, May 1983.

Gouvier, W.D. Psychosocial demand and recovery in stroke and head injury patients. Presented at the Southeastern Psychological Association Convention, New Orleans, Louisiana, March, 1984.

Gouvier, W.D., Blanton, P.D., Connell, B., and Williams, D. Cognitive retraining therapies with neurologic patients. Presented at the 2nd Midsouth Conference on Human Neuropsychology, Memphis, Tennessee, May, 1984.

Gouvier, W.D., Rosen, L.A., and Drabman, R.S. The use of peer modeling in learning to ambulate with orthopedic assistive devices: A case report of a two-year-old girl. Presented at the Society of Behavioral Medicine Convention, Philadelphia, Pennsylvania, May, 1984.

McGrath, M.L., Voigt, C., Gouvier, W.D., Jarrell, M.P., Calhoun, M.E., & Drabman, R.S. A group comparison of a multisensory stimulus presentation method and traditional methods for teaching basic multiplication fact acquisition. Presented at the meeting of the Mississippi Psychological Association, Biloxi, Mississippi, October, 1984.

Blanton, P.D. & Gouvier, W.D. Sex differences in mild left hemispatial neglect following right cerebrovascular accidents: Preliminary findings. Presented at the 3rd Midsouth Conference on Human Neuropsychology, Memphis, Tennessee, May, 1985.

Gouvier, W.D., Blanton, P.D., Bua, B.G., and Urey, J.A. microanalysis of visual scanning training in persons with left visual neglect. Presented at the Southeast Psychological Association Convention, Atlanta, Georgia, March, 1985.

Richards, J.S., & Gouvier, W.D. The co-incidence of brain injury and spinal cord injury-preliminary results. Presented at the meeting of the American Spinal Injury Association, Atlanta, Georgia, April 1985.

Blanton, P.D., & Gouvier, W.D. Sex differences in hemispatial performance following right hemisphere cerebrovascular accidents. Presented at the 14th International Neuropsychological Society Meeting, Denver, Colorado, February, 1986.

Gouvier, W.D. Future issues in cognitive retraining. Presented at the American Association for Behavior Therapy Convention, Chicago, Illinois, November, 1986.

Gouvier, W.D., & Warner, M.S. Treatment of visual imperception and related disorders. Presented at the 4th Midsouth Conference on Human Neuropsychology, Memphis, Tennessee, May, 1986.

Bergquist, T.F., Novack, T.A., Bennett, G., & Gouvier, W.D. Families' and professionals' perception of disability in head injury patients. Presented at the 33rd meeting of the Southeast Psychological Association, Atlanta, Georgia, March, 1987.

Calvert, J.D., Bruce, L., & Gouvier, W.D. Self versus observers' ratings of physical attractiveness. Presented at the American Association for Behavior Therapy Convention, Boston, Massachusetts, November, 1987.
