Candidate Name: Johnny Goodfire

Social Security Number: xxxxx5167

Department: Big City Fire Department

The above referenced candidate has completed a psychological/liability screening utilizing the Matrix-Firefighter Liability and Management Evaluation for Big City Fire Department.

The candidate is considered suitable for firefighter work.

During the course of this evaluation, a wide range of information and data was collected regarding the candidate's history and current status. In some cases, issues or events are discovered that may be relevant, or even critical, to the department's ultimate decision regarding employment of the candidate, as well as the focus of the candidate's training, continuing education, level and frequency of supervision, etc. The evaluation of Johnny Goodfire revealed the following:

Historical Factors of Concern:

- Information obtained from structured interview and the biographical data questionnaire reveal no historical factors of significant concern which are known to be related to firefighter liability.

Medical or Cognitive Concerns:

- The candidate appears to possess no medical, psychiatric, or educational factors that would negatively impact firefighting performance.

Psychometric Performance Criteria:

- The candidate's profile on the formal objective measure(s) of personality and current emotional functioning was within normal limits. No findings in the profile have been reliably or scientifically related to firefighting job performance liability.

Training Recommendations:

- This candidate's pattern of responding resulted in an overall level of acceptable liability risk. Furthermore, the similarity of the candidate's response pattern to officers that have demonstrated each of the measured categories of liability or misconduct was average or less. Therefore, no specific or targeted training recommendations are warranted.

These issues are provided to assist the due diligence hiring efforts of the appropriate administrative personnel in the department or agency.

Administrative and supervisory personnel should review and discuss the content of the M-FLAME report with the candidate in order to verify the accuracy of information, to clarify and specify the issues endorsed by the candidate, and to delineate how the findings will be handled by the department or agency.
